IMPORTANT INFO

There's been a change of location for training.

Training will now be held at our Waterfoot office.

Address:

67 Burnley Road East,
Waterfoot, BB4 9AR

WHAT'S COMING UP THIS MONTH?

This month we are really putting focus on making sure that we are all checking our blood pressure and encouraging clients to do the same. Pharmacies offer free checks and a walk in ability for those with a hectic schedule!

The only way to know if you have high blood pressure is to get a free check now. The consequences can be lethal if high blood pressure goes unchecked. [Find a pharmacy for your free check here](#)
