## WHAT'S COMING UP THIS MONTH?

This month we are putting focus on quitting smoking! There are so many benefits to quitting smoking that can have a positive impact on your long term health.

Have you tried quitting before but feel like you would benefit from more external support? [You can find resources on how to quit smoking here.](#)

Last month we paid out 5 refer a friend bonuses! Please all keep referring people in and ask the person you a refereeing to mention your name in the application form section '**Who did you hear about us from**'

A big thank you to **Mackenzie** from our Trafford office for highlighting an issue she noticed. This lead to us being able to improve the system when mental health patients are being discharged, and ensure our clients are getting the best care possible!
